Event: Collaborative club orientation and discussion

Time: Friday, February 7th from 11:30-12:30

Time: Friday, February 7th from 2:00-3:00

Location: Ortega 322 (the lounge)

The purpose of this event is to explain the benefits of being an active member of a graduate student association. Our goal is to recruit new members into our organizations as well as to raise awareness about opportunities offered at the College of Education (i.e. K-12 licensure programs and doctoral programs).

Discussion topics: Funding for conferences (\$400 per person, per conference)
Emergency/ hardship funds (grants and loans)
Campus resources (room reservations, equipment, training)
Submitting a club budget (pb funds, allocations, and more)

What is TEGSA?

We are a graduate student organization at the College of Education (COE). We have members serving as council reps on UNM's student government aka Graduate and Professional Student Association (GPSA), as well as members serving on multiple councils on campus (i.e. diversity council and GPSA finance committee). We volunteer as grant readers, organize conferences, and participate in outreach programs.
