Arabic Language Club (UNM)

kluketahanlin@unm.edu

Event: Languages of New Mexico

Time: Friday, February 21st from 12:00-1:30

Location: Ortega 322 (the lounge)

The purpose of this event is to discuss the importance of inclusion in a diverse academic environment by exploring the languages represented in New Mexico's K-12 schools.

Our goal is to recruit new members into our organizations as well as to raise awareness about opportunities offered at the College of Education (i.e. K-12 licensure programs and doctoral programs).

Discussion topics: New Mexico's teacher shortage
Albuquerque Teacher Residency Partnership (ATRP)
Club resources (room reservations, equipment, training)

What is TEGSA?

We are a graduate student organization at the College of Education (COE). We have members serving as council reps on UNM's student government aka Graduate and Professional Student Association (GPSA), as well as members serving on multiple councils on campus (i.e. diversity council and GPSA finance committee). We volunteer as grant readers, organize conferences, and participate in outreach programs.
